

Make Educational Achievement Happen. Donate Now.

REACH ensures that 100% of your donation supports deserving REACH Scholars.

Since 2012, hundreds of REACH Scholars who are low income and primarily the first in their families to attend college, are getting the financial, social and academic support they need to attend and complete college. Thanks to private donors, like you, additional REACH Scholars will be able to participate in REACH beginning in the eighth grade. They will regularly meet with mentors and academic coaches and participate in career and college preparation activities. Your tax deductible donation will allow the REACH Georgia Program to continue to **change lives** in all parts of Georgia. **Systems must receive funds by June 30, 2018** for upcoming scholarship candidates.
