

Press Release
Friday, September 8, 2017

Laurens County Schools in Dublin, Georgia, will be closed on Monday, September 11, 2017, and Tuesday, September 12, 2017, due to the approach of Hurricane Irma. Our four schools that serve as American Red Cross EVACUATION Centers are scheduled to be opened as evacuation shelters under the direction of the Red Cross and other state officials.

No students or staff should report to school or work; anyone who wishes to volunteer at a shelter should report to the Red Cross personnel at that facility.

Please watch our website, Facebook pages, and usual media outlets for updates.

Mr. Jerry Hatcher
Interim Superintendent
