We invite you to come hear an inspiring story of Rachel Scott, whose example of kindness and acceptance was brought to light after she became the first victim of the Columbine High School tragedy. Learn how Rachel's Challenge is positively impacting schools across the country by supporting positive K-12 classroom climates, changing school cultures, and impacting social/emotional learning with powerful and sustainable life-changing initiatives. Dr. Dan Brigman, Laurens County Board Members, and our principals are excited about bringing this grade-appropriate, sustainable initiative to our schools. We look forward to having you join us for this presentation.
