Submission of a proposal authorizes the school system to make inquiries concerning the proposer and its officers, agents, and representatives to any persons or firms deemed appropriate by the school system.

Proposals are subject to the Georgia Open Records Act. The School System cannot protect proprietary data submitted in proposals.

Submission of proposals indicates Respondent's acceptance of the evaluation technique and Respondent's recognition that some subjective judgments must be made by the school system during the determination of ranking order and award.

The school system reserves the right to waive any formalities and to select or reject any and all responses as a result of this Request for Proposal. The school system is not liable for any costs incurred by any person or firm responding to this Request for Proposal.

GENERAL INFORMATION

1. Proposal Format:

Proposals must be submitted in the format outlined in this document. Prior to actual evaluation, each Proposal will be reviewed to determine whether or not it is complete. Proposals that do not contain the information requested will not be considered.

Respondents shall use the prescribed format to clearly indicate their experience and qualifications.

2. Responsibility

The selected firm will be required to assume total responsibility for all services offered in his/her proposal. The selected firm will be considered the prime contractor and the sole point of contact with regard to all contractual matters.

3. Required Bonds and Insurance

The firm shall provide the school system with the required bonds listed below

Bid Security: A Bid Bond shall be included in the construction bid envelope. The Bid Bond shall be payable to Laurens County Board of Education in the amount of Five Percent (5%) of the Bid Amount. Contractor shall honor its proposal for 60 days following the opening of the proposals.

Performance and Labor & Material Payment Bonds: The accepted bidder (contractor) shall furnish a proper Performance Bond and Labor & Material Payment Bond covering the full amount of the Contract Price as security for the faithful performance of all work under the Contract and payment of all charges In connection therewith. The cost of these bonds shall be included in the contractor's bid.

To adequately protect the interests of the school system, the successful respondent shall procure, and maintain in effect during the life of the agreement, the following insurance coverages:

Below is listed the insurance coverage which must be procured by the contractor at his own expense. The contractor agrees to follow instructions indicated in each case:

1. Comprehensive Liability Insurance:
Combined single limits including Bodily Injury and Property Damage with limits of \$1,000,000 for each occurrence, personal and advertising injury within a limit of \$1,000,000 per occurrence, and \$2,000,000 general and products/completed operations aggregates. General Liability should include premises/operations coverage and products and completed operations coverage. Policy should include X, C, U (Explosion, Collapse, and Underground Coverage).
2. Auto Liability:
Including Owner, hired, and non-owned vehicles with Combined Single limits including Bodily injury and Property damage of \$1,000,000 for each occurrence.

3. Umbrella Excess Liability Insurance:
Contractor shall carry umbrella excess liability including Auto, General Liability and Workers' Compensation in the amount of \$1,000,000 over existing primary insurance and over self-insured hazards.
4. Professional Liability Insurance:
Contractor and its design professionals shall carry professional liability insurance for the applicable statute of the duration of the project and stated warranty period thereafter. Statutory Limits shall be a minimum of \$1,000,000.00 each claim with a \$3,000,000.00 aggregate. ***Note: The contractor cannot use a design professional's professional liability insurance and must carry their own professional liability policy. The contractor's failure to provide proof of a professional liability policy with their proposal will be deemed incomplete.***
5. Worker's Compensation:
As required by law.

All of the above policies must be occurrence based. The Laurens County School System shall be named as an additional insured on all policies. The policies shall contain provisions that the coverage provided by said policies shall be primary to any insurance maintained by the School System. Said insurance shall in fact be primary to any insurance maintained by the school system.

4. Taxes, Fees, Code Compliance and Licensing:

The firm shall be responsible for the payment of any required taxes or fees associated with the contract. The firm shall also be responsible for compliance with all applicable codes and statutes. All installation and construction work shall be done by sub-contractors licensed in the State of Georgia.

5. Payment:

Contractor shall submit monthly payment applications using AIA G702 and AIA G703 Continuation Sheets in addition to Georgia State Department of Education DE Form 0263, July 1982 Edition.

6. References and Proprietary Information:

Submission of a response authorizes the school system to make inquiries concerning the respondent and its officers to any persons or forms deemed appropriate by the school system.

7. Inquiries:

Questions that arise prior to the proposal submittal date shall be submitted in writing to the school system via email.

SELECTION PROCESS

Proposal Evaluation

Interested firms responding to this Request for Proposal must provide the information required to meet the criteria contained in “Response Format and Contents”. The evaluation committee will evaluate submittals and choose the most highly qualified firm. The following criteria will be considered in choosing the most highly qualified contractor:

Criteria #1: 25% of total score:

Negotiation and Signing of Contract

Upon completion of evaluations by the committee, and the determination that the project is feasible and acceptable to the Laurens County Board of Education, a modified AIA A101 contract will be executed between the selected firm and the School System.

RESPONSE FORMAT AND CONTENTS

General Information

Responses must be submitted in the format outlined in this section. Each response will be reviewed to determine if it is complete prior to actual evaluation. Failure to provide accurate, up-to-date responses to any and all portions of the RFP may result in disqualification without prejudice. The school system reserves the right to eliminate from further consideration any responses that are deemed to be substantially or materially unresponsive to the requests for information contained in this section. The intent of the school system is that all responses follow the same format in order to evaluate each response fairly. The school system may, during the course of the evaluation process, request additional information to supplement and/or clarify the information provided.

Proposals will be evaluated in light of the material and substantiating evidence presented in the proposal, and not on the basis of what is inferred.

Any exceptions taken to the terms and conditions of this RFP must be clearly identified. If no exceptions are listed, it will be concluded that the proposer will meet, in every detail, the conditions stipulated in this RFP.

Proposals may be modified or withdrawn by written notice received prior to deadline for receipt of proposals. A proposal also may be withdrawn in person by a proposer or his authorized representative, provided his identity is made known and he signs a receipt for the proposal, but only if the withdrawal is made prior to the deadline set for receipt of proposals.

The proposal form shall be signed by such an officer, member, or person as is duly authorized to bind the contractor to a contract.

Each respondent shall provide the school system with **three (3)** copies of his/her response. Begin each section and subsection as described herein on a separate page. Number the pages in each section consecutively. Each page shall have the name of the respondent indicated clearly across the bottom of each page.

Submission of a response authorizes the school system to make inquiries concerning the respondent and its officers to any persons or firms deemed appropriate by the school system.

Questions that arise prior to the proposal submittal date shall be submitted in writing to both the school system and the architect.
