Dear Parent and/or Guardian,

Thank you in advance for allowing us to serve you and your student(s) each day at breakfast and lunch. Upon reviewing our records, we recognize that we have made diet accommodations for your child this past school year.

Please remember that students are given the option of milk. Milk is not a required with a school meal, just a beverage option. This may help if your child has a milk/lactose allergy.

If a current CHILDREN WITH SPECIAL DIETARY NEEDS form is not received by **September 1, 2018**; your child will no longer be served based on any previous diet accommodations.

Enclosed you will find a 2018-2019 CHILDREN WITH SPECIAL DIETARY NEEDS form that may be completed and returned to your child's school cafeteria, once school begins, or the form may be returned to the address or fax number provided on the attached form.

If you have any questions, please feel free to call the School Nutrition Office at 478-272-4767. Thank you again for allowing us to serve you and your child.

Sincerely,

Donna Sapp
School Nutrition Director
