Letter from the Principal

Dear Parents and Students:

Welcome to East Laurens Middle School where “Every Learner Must Succeed!” We look forward to helping to develop your student academically and in character. Our talented and dedicated staff will foster this development.

This student handbook is designed to help our parents and students better understand our procedures and guidelines at E.L.M.S. In an effort to make our school a safe, orderly environment, we must minimize disciplinary problems and spend the majority of our time in the pursuit of academic excellence. We ask that parents help by reviewing and supporting this plan. Together we can make this a great year.

East Laurens Middle School is designated as a Title I Middle School this year. This means our students and teachers receive additional resources to help with our school improvement process.

Please feel free to call and make an appointment to visit your child’s teachers. Each teacher has a planning period, and our secretaries will be glad to assist you with a visitor’s schedule and pass. Our administrative staff is also available to assist you with any concerns you may have.

Respectfully,

OJ Hall
Principal, ELMS
Preface

EFFECT OF STUDENT HANDBOOK

The policies, rules and regulations shown in the ELMS School Handbook are regulatory in nature and are not to be construed to give rise to any substantive or vested rights. The Board of Education, the Superintendent, and the Principal reserve the right to amend, suspend, repeal, modify, or revoke the policies, rules, and regulations at any time as to any student or related person without incurring any obligation with respect to the old or existing policy, rule, regulation, or administrative procedure.

The ultimate administrative responsibility for ELMS is vested in the Principal who must treat each situation, whether disciplinary or administrative, from the perspective of what is in the best interest of the individual student concerned, the other students in the school, and the ongoing education mission of the school and of the Laurens County School System.

PART 1 SCHOOL PROCEDURES
*All school procedures and disciplinary guidelines in this handbook will be upheld by the school administration unless circumstances dictate a change.

ABSENCE FROM SCHOOL (see also MAKE-UP WORK and ATTENDANCE)
When a student is absent from school, the parent or guardian is expected to provide the school with a written excuse upon the student’s return.
The note should state:
- Student’s full name
- The date(s) and reason for the absence
- The parent or guardian’s name and a telephone number where they may be reached

Personal illness, family illness, death of a close relative, or other absences approved by the principal are considered excused absences. After being absent, a student must turn in a note to the office and get an excuse before 8:10 of the following day. The student will sign upon receiving the excuse from the office.

ANNOUNCEMENTS
Announcements are given once each day. Students are expected to be in their classrooms at 8:05 A.M. and prepared to listen to the morning announcements. It is the student’s responsibility to listen to the announcements and to respond as needed. Afternoon announcements will be given periodically as needed throughout the school year.

ASPEN PARENT PORTAL PROGRAM
Aspen is a web-based program which allows parents to view a child’s schedule, attendance, and grades. Parents should call the school for information about how to register for this program. Once a parent has registered, he/she may log into the program from the school’s web site at www.elms.lcboe.net.

ASSEMBLIES
Assemblies are held during the year for the benefit of the student body. Student behavior at an assembly should be refined and courteous. All students should give the speakers and/or performers their undivided attention. Gestures of appreciation should be in the form of applause. Rudeness, inattention, or other poor behavior will be subject to disciplinary actions.

ATHLETIC ELIGIBILITY
To be eligible to participate on any athletic team, a student must pass or be passing four (4) out of five (5) classes. All connections classes will be averaged per semester and count as one (1) grade. Students who are not promoted to the next grade are not eligible for play. To be eligible to participate in interscholastic activities, a student must not have reached his 16th birthday prior to May 1st, preceding his year of participation. Each student must have a current Waiver of Liability form on file before he/she can try out for a team. A waiver from the previous school year will not be recognized as current. It may be beneficial for you to make copies of the form with your signatures for future use. Each coach may require you to fill out a waiver for their sport. This form gives the athlete to participate in their sport by his/her parent/guardian. This form also gives the school information about the athlete’s insurance and contact numbers in case of an emergency.

ATTENDANCE

AUTOMATED ALL CALLS
ELMS may send automated information or emergency all calls throughout the school year. If you are having trouble receiving these calls, please contact the school.

If a student needs to ride another bus home from school, the student must bring a signed note from home. The note must have a phone number where parent can be reached. The note must be turned in to the office first thing in the morning and a Laurens County Bus form will be issued for that day. Students PLEASE do not wait until time to board the bus to get a bus form!!!

All ELMS car riders are to be dropped off and picked up behind the school beside the ELMS baseball field or in front of ELHS. ELMS car riders will be dismissed in the afternoon with athletes and walkers at 3:17pm after the busses have left campus.

CHANGING CLASSES
Students should change classes quickly and quietly. Students should take the shortest approved route from one class to the other. When possible, students will walk on the right side of the hallway. Teachers will facilitate this transition. Before school, after break, and after lunch, students should begin moving to their classes immediately when directed by their teachers. Running in the halls, loitering, and horseplay are not permitted. Please, do not block the hall!
CLUBS (School Sponsored)
School sponsored clubs (excluding competitive interscholastic activities or events) are those under the sponsorship, direction and control of the school that organize and meet for common goals, objectives, and purposes. State law requires that parents have the right to withhold permission for their students to participate in any school sponsored club or organization designated by them. The following school sponsored clubs will be in operation during this school year, for which information is provided regarding the name of each club, its purpose, faculty sponsor and a description of past or planned activities. You, as the parent/guardian, have the right to withhold in writing your permission for your student’s participation in any club or organization. For your convenience, a form is included in this handbook if you do not wish for your student to participate in the club you have designated on the form. If a club is added during the school year, you will be provided information on the club and your written permission will be required prior to your student’s participation.

4. Students cannot be signed out after 2:30pm.
5. Persons picking up students must be on the approved list on file in the main office and present a picture ID. Changes can be made to this list as needed.

EMERGENCY SCHOOL CLOSING

In the event of bad weather conditions, parents/guardians are encouraged to listen to the local radio and television stations or call the Laurens County Board of Education office at 272-4767. The superintendent of schools will announce by 6:00 a.m. any decision to close or delay the opening of school.
EQUAL EDUCATIONAL OPPORTUNITIES (EEO)
For the Laurens County Board of Education policy on Equal Educational Opportunities (EEO), please visit the LCBOE website at http://www.lcboe.net/Content2/6.

EXTRA CURRICULAR ACTIVITIES  (See also FIELD TRIPS)
Extra-curricular activities are a privilege and can be taken away.

FIELD TRIPS (including club trips)
Students must be in good standings with the office before they can attend any field trips. If a student has more than 2 unexcused days in Fall or 6 unexcused days in the Spring, approval must be granted by the school administration. No student may attend any extracurricular activities if he/she is suspended or in In-School Suspension. Finally, any student who has accumulated more than 3 school or bus referrals must receive special permission from the administration to attend any field trips.

FINAL EXAMS (CRITERIA FOR EXEMPTION)
The following criteria are to be used to exempt students from final exams:
1. A student must have a 90 or above average in the subject he/she is seeking to exempt.... or
2. A student making a 3 or 4 on the GA Milestones in the subject area tested.
3. A student must have no more than five (5) absences, excused or unexcused.
4. A student must have no more than 10 tardies/early dismissals, excused or unexcused.
5. A student must not have been suspended (O.S.S.) during current year.
6. If a student has any outstanding obligations, that student cannot exempt.
   * Absences that are a result of school functions or activities will not count against the student.

FIRE DRILLS
Directions for leaving the building during a fire or fire drill are posted in each classroom. Students are requested to become aware of these directions. During a fire drill, students are to follow the directions posted in the classroom and to go quickly to the appointed exit and area on the school campus. The signal given will be the GEMA CODE and an announcement, and/or the fire alarm.

FUNDRAISING
Any class or organization desiring to conduct a fundraiser must have it approved by the Laurens County Board of Education and school administration. Only ELMS fundraisers can be held on campus. Fundraising requests must be submitted to the principal no later than one week prior to the next scheduled LCBOE monthly board meeting.

GIFTED TESTING PROTOCOL
If a parent or teacher would like a child to be considered for gifted testing, that child’s name should be submitted to Tina Hester or Sarah Davenport BEFORE school dismisses for Christmas Break. Names must
be submitted in writing. Names can be submitted via email at tinahester@lcboe.net, sarahdavenport@lcboe.net, or by letter/note addressed to Tina Hester or Sarah Davenport at ELMS. Please remember that all students that request testing will not necessarily be tested for the gifted program. Prior to testing, they must undergo a screening process and be approved by the Gifted Testing Committee in order to undergo testing. Testing will be conducted during the second semester. All students who have been recommended will receive a letter stating their status regarding screening, testing, and eligibility.

HALL PASSES
Students are not permitted in the halls during class periods unless they are accompanied by a teacher or administrator or have their student handbook with teacher permission.

HALLS
WALK on the RIGHT SIDE of the hall. Running is not acceptable in the building at any time. Gentlemanly and ladylike behavior is expected in the halls with noise held to a minimum. Loitering in the halls between classes is not allowed. Students are to go directly to their lockers and classrooms. Please, DO NOT STAND IN THE MIDDLE OF THE HALL, IN DOORWAYS, or leave book bags in the halls!

HEAD LICE
The Laurens County School System has no-nit head lice policy. That means that if a child has been identified with lice, nits (eggs) dead or alive, the child must be removed from the classroom and a parent called to come and pick up the child. Before the student can return to the classroom, a note must be obtained from the health department stating the hair is clear of lice and nits. If a child is found to have an infestation then other siblings will be checked as well.

HONORS DAYS
Honors Days will be held for each grade level in spring. Notification will be sent to parents notifying them of the dates and start times.

HOSPITAL HOMEBOUND SERVICES
For the Laurens County Board of Education policy on Hospital Homebound Services, please visit the LCBOE website at http://www.lcboe.net/Content2/6.

INTERNET SAFETY
For the Laurens County Board of Education policy on Internet Safety, please visit the LCBOE website at http://www.lcboe.net/Content2/6.

LOCKERS
Each student will be offered a locker to store his or her books and belongings during the school day at no charge. It will be the responsibility of the student to provide a combination lock to secure their locker.
Combinations to these locks must be provided to the student’s homeroom teacher. Administrators and teachers may make periodic inspections. Students are to use only their own lockers. Lockers should not be shared. All personal items, when not in use, should be kept locked in lockers. Lockers must be cleaned out during the last week of school. Items remaining in lockers on the last day of school will be discarded.

**LOST AND FOUND**
The office storage area is designated for found articles. Anyone who finds a lost or misplaced article should take the article to the office as soon as possible. Students looking for lost possessions should check with the assistant principal or secretaries. If found articles are not claimed within a reasonable length of time, they will be discarded.

**MAKE-UP WORK**
Students may make up work missed due to any absence or school activity. It is the responsibility of the student to make arrangements with the teacher to get the missed assignments. Students have three (3) days for the 1st day missed, and 1 day for each day thereafter. For example, if a student misses 4 days in a row, the student would have a total of 6 days to make up the work. After the given number of days has expired, the student will receive a zero for any work that has not been turned in. It is the student’s responsibility to arrange to make up missed work with the teacher. Teachers are not required to permit make up work during regular class time, because this will cause the student to miss even more class time. Upon returning after an absence, a student must make arrangements to make up any missed work with the teacher. The teacher will then set a time for the work to be made up. If the work is not made up, the student will receive a zero on the work.

**MEDIA CENTER**
Students are welcome in the library to check out books, read magazines, locate resources, and use the computers in the media center. Along with this privilege, however, comes individual responsibility.

**Media Center Behavior Guidelines:**
1. Students will come to the library with the necessary materials, which could include: agenda, pencil, paper, list of approved websites, books.
2. Students must have their own agenda signed by their teacher with their library barcode sticker attached in order to check out books. The cost is $0.25 if a student needs a replacement barcode sticker.
3. Students will remain quiet enough for others to work.
4. As a rule, students should check out two books from the library at a time. Exceptions may be made; however, students should adhere to this guideline.
5. Students will exhibit proper library etiquette at all times by:
   a. Being respectful of any adult staff member or volunteer in the media center.
   b. Checking out books in a timely manner.
   c. Obeying all school rules including dress code guidelines.
6. Students may not chew gum or bring bottled drinks that have been opened into the library.
7. Students are limited to one library visit per day to check out books and one library visit per day to use computers and two library visits for each purpose per week.

8. ELMS students may not use or go on the ELHS side of the library nor are they allowed to interact in any way with an ELHS student unless that student is working as a library volunteer at the ELMS library.

*** Students who do not follow the media center guidelines will be asked to return to their classroom. Further disciplinary action may also be taken. If students are asked to return to class due to failure to follow media center guidelines, they will not be allowed to return to the media center for a minimum of one day.

Students who abuse the library privileges can have them restricted or revoked by the school administrators and/or the school media specialist.

**Damaged and Overdue Books:**
Students should return their borrowed books to the library in a timely manner. Any student who has a book that is at least one month overdue will lose their library privileges until the overdue book is rechecked, returned, or the replacement cost is paid. At the beginning of the fourth nine weeks, any overdue book must be returned, re-checked or replaced to maintain library privileges. If books are damaged so that they are no longer usable, students must pay the replacement cost of the book.

**Computer and Internet Usage:**
- Students may use the computer technology housed in the media center to do school projects and research. Parents or guardians must sign the Acceptable Use Policy (AUP) permission in the agenda/student handbook before students may use the Internet to do any school research in the media center. Internet usage is restricted to classroom assignments. Personal Internet usage, including checking e-mail by students, is prohibited in the media center.
- Students must adhere to all AUP guidelines found in the agenda/student handbook. Students may not use any website other than those assigned by the teacher.
- Students who do not follow these guidelines will be asked to return to the classroom. Repeated misuse of computer and Internet privileges may result in restricted use of computers by the student, including revocation of media center computer privileges.

**MEDICATION**
If a student must take medication, arrangements should be made with the attending physician so that the medication may be given at home, before and after school hours. If this is not possible, the medication must be brought to school fully labeled, in the original container from the pharmacist, and given to the school nurse for dispensing. Parents should send only the dosage of medication that is required. Students should have only very small amounts of over-the-counter medications in their possession during school hours. A student should not give or sell another student any type of medication!

**MOMENT OF REFLECTION**
At the beginning of Homeroom each school day, ELMS will conduct a brief period of quiet reflection for no more than 60 seconds with the participation of all the pupils therein assembled.

**MONEY AND VALUABLES**
Large sums of money or valuables should not be brought to school. NEVER LEAVE VALUABLE POSSESSIONS UNATTENDED. The school will not be responsible for lost or stolen valuables. Any item that causes an interruption, is against school or state law, or is considered inappropriate for school will be taken from the student and the necessary disciplinary actions will follow. The item may or may not be returned, based on the circumstances involved.

**OFFICE TELEPHONE**
The office telephone is a business phone and should be used by students for emergencies only. Students must have a phone pass from their classroom teacher for permission to use the phone. Once in the office, the student must register his/her call with the school secretary and use a designated phone line. Students who are sick are to go to the school nurse and she will call parents when necessary.

All monies owed by students must be paid. Outstanding obligations of all students must be paid or their report card could be withheld. Students who owe outstanding obligations may not exempt their exams.

**PARENT'S RIGHT TO KNOW / TEACHER QUALIFICATIONS**
In compliance with the requirements of federal law, all schools inform parents of their right to request information about the professional qualifications of their child’s teacher(s) and paraprofessional(s). The following information may be requested: (1) whether the teacher has met state certification requirements for the grade level and subject areas he or she is teaching; (2) whether the teacher is teaching under an emergency or other provisional status through which state qualifications or certification criteria have been waived; (3) whether the teacher is teaching in his or her field of certification; and/or (4) whether the student is provided services by paraprofessionals, and if so, their qualifications. If a parent wishes to request information concerning their child’s teacher(s) and/or the paraprofessional(s) that provide educational services, the parent must provide a written request to the school principal.

**PARENT CONFERENCES**
Parents may check the progress of their child using the ASPEN. Parents may set up a conference with one or more teachers by telephoning the school office or e-mailing faculty members from our web site.
**PARENT PICK-UPS**

Laurens County Schools provide free public transportation for county students. The buses arrive at ELMS around 7:45am in the morning and leave around 3:15pm in the afternoon. If you choose for your child not to ride the bus, please be advised that you must follow all safety rules when you drive on campus. Parents should pick up their children after buses have loaded and left the campus. Parents may not wait out by the bus ramp or drive on the bus ramp until buses have left. Car riders will be dismissed after the buses have left, around 3:17pm. Parents should follow all safety signs. If a problem will cause a student to miss more than 3 days of P.E., the student should bring a note from a physician.

For the sake of good health and comfort, it is recommended that students dress out for PE class. The faculty of the physical education classes determines the appropriate attire for the class. Shorts may be worn during PE class but must be knee length. Shorts are not allowed to be rolled down at the waist and must be secured so that undergarments are not showing at any time. **Shorts cannot hang below the natural waist.** Shirts worn in PE must meet the school dress code - NO part of the midriff should show. Muscle shirts ARE NOT ALLOWED. Shoes should be non-marring rubber-soled gym shoes. Shoes that mark the gym floor will not be allowed. These may include (but are not limited to): boots, sandals, cleats, etc. and are not permitted as dress out gear. Students will be allowed to redress from PE attire to school clothes before returning to class. PE lockers will not be assigned.

**PROGRESS REPORTS**

A Progress Report will be given to each student every 4½ weeks. The progress report is to be signed by the parent and returned within two (2) days.

**PROMOTION POLICY**

Students must pass 4 out of 5 classes to be promoted to the next grade. The classes are Math, ELA, Science, Social Studies, and Connections. Students take eight (8) Connections classes during the school year. A student must pass six (6) of the eight (8) connections in order to pass Connections.

**REPORT CARDS**

A report card will be given to each student at the end of each nine (9) weeks grading period. All grades are numerical. Report cards will be mailed at the end of the school year. It is therefore vital that the school have the student’s current address.

**RESPECT FOR EQUIPMENT AND FACILITIES**

Each student is encouraged to assume responsibility for the care of school property. The student may be required to pay for any damage caused to school property. Malicious damage must be repaired or the
damaged property replaced at the student’s expense. In addition, appropriate disciplinary procedures are invoked in the event that malicious intent is determined.

**SCHEDULE CHANGES**

All schedule changes must be approved by the administration. Schedule change request forms may be picked up in the ELMS office and completed by the parent. The form must have the parent’s signature and the reason for the request for the change to be considered. Hand written requests, emails, or phone calls from parents that are not on official change request forms will not be accepted.

**STUDENT RECORDS, FERPA, & PPRA**

For the Laurens County Board of Education policy on Student Records, the Federal Educational Rights and Privacy Act (FERPA), and the Pupil Protection Rights Amendment (PPRA) please visit the LCBOE website at [http://www.lcboe.net/Content2/6](http://www.lcboe.net/Content2/6).

**TELEPHONE USE**

Students in middle school are expected to take on more responsibility. One of these responsibilities is to bring all necessary items to school and to inform parents of any after school activities that would require them to be picked up. Phone calls will be allowed in an emergency only at the discretion of the secretaries or administrators. Students will not be allowed to use the office phone based solely upon the students’ request. If a parent or guardian needs to be contacted, Mrs. Spivey will get the number from the student and make the call. Students should not use conference room phones or the intercom phones throughout the school. No student should answer nor tamper with any school phone. If a teacher is out of the room, allow the phone to ring.

**TORNADO WARNING DRILLS**

If an emergency change must take place, a parent or guardian will have to come to the school to provide a written statement for the change. Otherwise, students should bring a written statement on the morning of the needed transportation change, which includes the student’s name, the address where the student is going that afternoon, and a contact phone number along with the parent/guardian’s signature.

**UNRULY VISITORS**

Most visitors are good, respectful people, and we regret that this procedure has to be in the school handbook. However, disruptive or hostile visitors cannot be tolerated. Visitors who become rude, hostile, abrasive, or in any way aggressive toward students, other parents, teachers, administrators, or any staff members will face legal charges and may be fined up to $500.00. All threats will be taken seriously, including phone calls, E-mails, and letters, and may result in the necessary legal action. School is a place
of learning, not a place to vent personal frustrations. Please remember, coming to school is a **privilege**, not a right.

**VALENTINE’S DAY**
The Laurens County Board of Education adopts the following procedure to accommodate students, faculty, florists, and suppliers so that gifts may be delivered to the schools on special days. This action is necessary so that school employees and students are not interrupted and safety of students is insured. Balloons and flowers in glass containers will not be allowed on school buses anytime during the school year. On special events such as Valentine’s Day, all flowers and balloons must be delivered by 2:00 PM. Students are not allowed to bring items for themselves on Valentine’s Day. Schools or school personnel assume no responsibility for flowers or balloons. Flowers or balloons not picked up will be discarded by 10:00 AM the following day. This procedure applies to ALL students, teachers, and employees.

**VISITORS**
A visitor is anyone who is not employed by the LCBOE or is not a student at ELMS. All visitors must report to the main school office and sign-in before visiting classrooms, school personnel, or students. Visitors will be provided an ELMS visitor’s badge that must be placed on their shirt (top garment) so that it is clearly visible. Visitors are asked to return to the main school office and sign-out before leaving campus. Visitors with inappropriate attire will not be allowed into hallways or classrooms. Also, visitors with inappropriate attire may be asked to leave campus and referred to the resource officer.

**OTHER**
Due to the vast number of state, local and school policies, it is impossible to cover all possible concerns. If you have a question, please feel free to call or come by the school. The school web site is an excellent source of information.
PART II  East Laurens Middle School Code of Conduct

It is the purpose of the Laurens County School District to operate each school in a manner that will provide an orderly process of education and that will provide for the welfare and safety of all students who attend the schools within the district. In accordance with that purpose, the Board of Education has adopted a policy, which requires all schools to adopt codes of conduct requiring students to conduct themselves in a manner, which facilitates a learning environment for themselves and other students. These standards for behavior require students to respect each other and school district employees, to obey student behavior policies adopted by the Board and to obey student behavior rules established at each school within the district.

The school’s primary goal is to educate, not to punish; however, when the behavior of an individual student comes in conflict with the rights of others, corrective actions may be necessary for the benefit of that individual and the school as a whole. Accordingly, students shall be governed by policies, regulations and rules set forth in this Code of Conduct.

The Code of Conduct is effective during the following times and in the following places:
- At school or on school property at any time
- Off school grounds at any school activity, function or event and while traveling to and from such events
- On vehicles provided for student transportation by the school system and at school bus stops

Students may be disciplined for conduct off campus, which could result in the student being criminally charged with a felony, and which makes the student’s continued presence at school a potential danger to persons or property at the school or which disrupts the educational process.

Major offenses including, but not limited to, drug and weapon offenses can lead to schools being named as an Unsafe School according to the provisions of State Board Rule 160-4-8-16, Unsafe School Choice Option.

Parents are encouraged to become familiar with the Code of Conduct and to be supportive of it in their daily communication with their children and others in the community.

The General Assembly of Georgia requires that this code of conduct include language encouraging parents and guardians to inform their children on the consequences, including potential criminal penalties, of underage sexual conduct and crimes for which a minor can be tried as an adult.

This Code of Conduct is based on the expectation that parents, guardians, teachers, and school administrators will work together to improve and enhance student behavior and academic performance and will communicate freely their concerns about, and actions in response to, student behavior that detracts from the learning environment. School administrators recognize that two-way communication through personal contacts is extremely valuable; therefore, they provide information to parents as well
as on-going opportunities for school personnel to hear parents’ concerns and comments. Parents and students should contact the principal of the school if specific questions arise related to the Code of Conduct.

The Code of Conduct specifies within its standards of behavior various violations of the Code which may result in a school staff member’s request that a parent or guardian come to the school for a conference. Parents are encouraged to visit the schools regularly and are expected to be actively involved in the behavior support processes designed to promote positive choices and behavior.

Georgia law mandates that any time a teacher or principal identifies a student as a chronic disciplinary problem student, the principal shall notify by telephone call and by mail the student’s parent or guardian of the disciplinary problem, invite the parent or guardian to observe the student in a classroom situation, and request at least one parent or guardian to attend a conference to devise a disciplinary and behavioral correction plan.

Georgia law also states that before any chronic disciplinary problem student is permitted to return to school from a suspension or expulsion, the school shall request by telephone call and/or by mail at least one parent or guardian to schedule and attend a conference to devise a disciplinary and behavioral correction plan.

The law allows a local board of education to petition the juvenile court to require a parent to attend a school conference. If the court finds that the parent or guardian has willfully and unreasonably failed to attend a conference requested by the principal pursuant to the laws cited above, the court may order the parent or guardian to attend such a conference, order the parent or guardian to participate in such programs or such treatment as the court deems appropriate to improve the student’s behavior, or both. After notice and opportunity for hearing, the court may impose a fine, not to exceed $500.00, on a parent or guardian who willfully disobeys an order of the court under this law.

**Authority of the Principal**

The principal is the designated leader of the school and, in concert with the staff, is responsible for the orderly operation of the school. In cases of disruptive, disorderly, or dangerous conduct not covered in this Code, the principal may undertake corrective measures that he or she believes to be in the best interest of the student and the school.

**Teacher Authority**

The Superintendent fully supports the authority of principals and teachers in the school system to remove a student from the classroom pursuant to provisions of state law.

Each teacher shall comply with the provisions of O.C.G.A. § 20-2-737, which requires the filing of a report by a teacher who has knowledge that a student has exhibited behavior that repeatedly or substantially interferes with the teacher's ability to communicate effectively with the students in his or her class or with the ability of such student’s classmates to learn, where such behavior is in violation of the student
code of conduct. Such report shall be filed with the principal or designee on the school day of the most recent occurrence of such behavior, shall not exceed one page, and shall describe the behavior. The principal or designee shall, within one school day after receiving such a report from a teacher, send to the student’s parents or guardian a copy of the report and information regarding how the student’s parents or guardians may contact the principal or designee.

The principal or designee shall notify in writing the teacher and the student’s parents or guardian of the discipline or student support services which has occurred as a result of the teacher’s report within one school day from the imposition of discipline or the utilization of the support services. The principal or designee shall make a reasonable attempt to confirm that the student’s parents or guardian has received the written notification, including information as to how the parents or guardian may contact the principal or designee.

**Progressive Discipline Procedures**

When it is necessary to impose discipline, school administrators and teacher will follow a *progressive discipline process*. The degree of discipline to be imposed by each school official will be in proportion to the severity of the behavior of a particular student and will take into account the student’s discipline history, the age of the student and other relevant facts.

The Code of Conduct provides a systematic process of behavioral correction in which inappropriate behaviors are followed by consequences. Disciplinary actions are designed to teach students self-discipline and to help them substitute inappropriate behaviors with those that are consistent with the character traits from Georgia’s Character Education Program. (OCGA 20-2-145)

**The following disciplinary actions may be imposed for any violation of this Code of Conduct:**

- Warning and/or counseling with an administrator or counselor
- Loss of privileges
- Time out
- Temporary removal from class or activity
- Notification of parents
- Parent conference
- Detention
- Suspension or Loss of driving privileges
- Behavior Contract
- Temporary placement in an alternative education setting
- Out of School Suspension (OSS)
- In School Suspension (ISS)
- Referral to a Tribunal for long-term suspension or expulsion (OCGA 20-2-750)
- Suspension or expulsion from the school bus
- Corporal Punishment
Referral to law enforcement or juvenile court officials: Georgia law requires that certain acts of misconduct be referred to the appropriate law enforcement officials. The school will refer any act of misconduct to law enforcement officials when school officials determine such referral to be necessary or appropriate.

The maximum punishments for an offense include long-term suspension or expulsion, including permanent expulsion, but those punishments will be determined only by a disciplinary tribunal as outlined in the Laurens County Board of Education policies (Laurens County Board Policy for Student Disciplinary Hearings).

Parents or students may elect not to contest whether a student has violated the Code of Conduct or the appropriate discipline in cases, which would lead to a tribunal hearing for expulsion. In such cases, an agreement may be negotiated which would include the parents or students waiving a right to a hearing before a disciplinary tribunal. Such an agreement and waiver must be approved also by the disciplinary tribunal or hearing officer in accordance with local board policy.

Before a student is suspended for ten days or less, the principal or designee will inform the student of the offense for which the student is charged and allow the student to explain his or her behavior. If the student is suspended, the student’s parents will be notified, if possible. School officials may involve law enforcement officials when evidence surrounding a situation necessitates their involvement or when there is a legal requirement that an incident be reported.

**Searches**

School officials may search a student if there is reasonable suspicion the student is in possession of an item or substance that is illegal or against school rules. Student vehicles brought on campus, student book bags, school lockers, desks, and other school properties are subject to inspection and search by school authorities at any time without further notice to student or parents. Cell phones/multimedia/electronic devices taken from students due to possession and/or use in violation of school rules are subject to having their contents searched. Students are required to cooperate if asked to open book bags, lockers or any vehicle brought on campus. Metal detectors and drug or weapon sniffing dogs may be utilized at school or at any school function, including activities that occur outside normal school hours or off the school campus at the discretion of administrators. Random searches may occur during any school function or off campus at any time a school event is taking place, and may include a breath analysis by a qualified individual.

**Student Support Processes**

The Laurens County Board of Education provides a variety of resources that are available at every school within the district to help address student behavioral problems. The school discipline process will include appropriate consideration of support processes to help students resolve such problems. These resources include Response to Intervention (RTI), school counselor, chronic disciplinary problem student plans, peer mentoring, and conflict resolution.

There is a direct correlation between student dress and student behavior. Students will be expected to observe modes of dress, styles of hair, and personal grooming which support the learning environment. The purpose of this dress code is to assure that consistency and interpretation is implemented county-wide, thus providing equitable treatment for all students. In making a judgment concerning the appropriateness of a student’s dress or grooming, the principal should adhere to the guidelines set forth in the procedures that accompany this policy. A student who is doing work for another teacher or is in another area other than his designated classroom (such as the restroom) without permission from his teacher or an administrator will be considered skipping. Students who leave their classroom during class time for any reason will make up the time missed in class at their teacher’s discretion at break, before or after school, or during lunch break. Any student out of class FOR ANY REASON during the school day must have permission from a teacher entered on the sign out page of his/her agenda book. Sick in the restroom without notification is skipping class. Being more than 5 minutes late to class is skipping class.
- **First Offense:** 1 day ISS
- **Second Offense:** 3 days ISS
- **Third Offense:** 5 days ISS/Behavior Contract
- **Fourth Offense:** 3 days OSS/Tribunal
29. **Tardies / Early Dismissals**

**Early Dismissal** – Students are not permitted to leave school grounds at any time during the school day without a permit from the school office. If a student must leave the building because of illness or any other emergency, the student must be signed out at the office. **The person picking up the student must have prior approval or have his/her name on file in the office.** Anyone picking up a student will be required to show identification.

**Tardy to Class** – Students should be in class at designated times or have written permission for tardiness.

**Tardy to School** – Students that arrive after the 8:10am bell must report to the office to receive a tardy note.

30. **Terroristic threats or acts:** Activating a fire alarm under false pretenses, making a bomb threat, or prank 911 calls will result in OSS, disciplinary tribunal, and criminal charges.

31. **Textbooks and Other Instructional Resources:** Students are responsible for the care and protection of textbooks, library books, and other instructional resources, including electronic devices, issued by the district. Failure or refusal to pay for a lost or damaged textbook, library book, or other instructional resources at the replacement cost may result in:

   (1) Refusal to issue any additional textbooks, library books, or instructional materials until restitution is made; or
   (2) Withholding of all report cards, certificates of progress, or the privilege of participating in any extracurricular activities until restitution is made.

32. **Theft:** Consequences may include suspension, disciplinary tribunal, and criminal charges.

Students who possess hazardous objects (dirk, bat, knife, stun gun, etc.) as described in number 2 of the weapons definition of this handbook, will be subject to discipline determined by the principal to be appropriate, based on the seriousness of the offense, the age of the student and other relevant factors. Such punishment could include in school or out-of-school suspension or referral to a tribunal.

**Behavior Not Covered Above:**
The school reserves the right to punish behavior which is not deemed appropriate by the administration, even though such behavior is not specified in the preceding written rules. Punishment of such behavior will be at the discretion of the administrative staff. Any action that interferes with learning will not be allowed. GA Code 20-2-1181 states that it is unlawful for any person to disrupt or interfere with the operation of any public school. This includes, but is not limited to, continued classroom disruptions by a student. Any student who continually or severely disrupts a classroom and teaching time could not only be suspended from school, but may also face criminal prosecution under this law. The principal will make and enforce such rules as are necessary for the efficient operation of the school even though the rules are not specifically stated elsewhere. - **Step 2:** Teachers will meet with the student to discuss problems.
- **Step 3:** Teachers will meet with the parent and the student to discuss problems.
- **Step 4:** Teacher will submit disciplinary referral to the school office.
Laurens County Schools Bus Discipline Codes
The behavior of students while riding Laurens County School Buses is one of the most important factors concerning transportation safety. A school bus driver’s attention should always be on the conditions of the road. Students too often distract the drivers, sometimes to the point that drivers must focus all their attention on discipline problems instead of driving. Students can follow a few rules to make riding buses safe and enjoyable. Violation of these rules may subject the offender to disciplinary action—for example, revocation of riding privileges for a period of time.

- Observe the same conduct as in the school setting.
- Be courteous; use no profane language.
- Do not eat on the bus.
- Keep the bus clean.
- Cooperate with the driver. The driver is authorized to assign seats.
- Do not infringe on the rights of others.
- Stay in your seat while the bus is in motion.
- Keep head, hands, and feet inside the bus.
- Do not throw objects in or out of the bus. (Discretion may be used as to the severity).
- Students should remain quiet at all railroad crossings.
- Use electronic devices appropriately (remove earbuds when entering/exiting the bus; refrain from the use of phone for phone calls, photography, videoing; refrain from viewing/sharing inappropriate content; use earbuds when music or sound is emitted from device).
- Refrain from the use of lasers, flashes, or other reflective devices that might interfere with the driver’s operation of the bus
- Flowers and balloons should not be brought on the school bus.

MAJOR BUS DISCIPLINE: (Code section 20-2-751.6)
- Fighting on the bus (suspension from bus AND school in middle and high school)
- Verbal assault or being disrespectful to bus driver or school personnel
- Possession of tobacco products, lighters, or matches
- Vulgar language
- Undue sexual familiarity
- Harassment of other students or bus driver
- Disrespectful conduct toward students
- Bullying

First Offense Suspended from the bus for three days.
Second Offense Suspended from the bus for five days.
Third Offense Suspended from the bus until a tribunal hearing is held.

MINOR BUS DISCIPLINE
The Laurens County School System provides bus transportation. It is a service to the community by the school system. Students are expected to conduct themselves properly at all times. Any activity that will distract from safe handling of the bus is to be avoided.
School administrators will handle any infractions per driver’s request following progressive discipline procedures. A student’s failure to comply with bus expectations could result in suspension from the bus, corporal punishment (K-8), or loss of bus riding privileges for a period of time. If the behavior is not corrected, a tribunal may be held to consider the loss of riding privileges indefinitely.

Administrative discretion may be used in any of the following offenses:

Vandalism of a school bus (burning, cutting, punching holes in seats, etc.) will result in suspension from the bus until damage amount is paid.

Possession of any weapon or objects used as a weapon, other than a firearm, will result in suspension from the bus until a parent conference or tribunal hearing is held, along with appropriate criminal charges being filed.

Possession of any firearm, drugs, or alcohol will result in suspension from all buses and school, until a tribunal hearing is held. Such cases may be turned over to law enforcement officials.

When a student is suspended from riding the bus, written and/or verbal contact must be made with the parent. When a student is suspended from the bus, he is suspended from all Laurens County buses! If a student is caught riding any bus while suspended that student will receive 5 additional days suspension from bus privileges.

Northwest Laurens Elementary
Southwest Laurens Elementary
East Laurens Primary
East Laurens Elementary
East Laurens Middle
East Laurens High

Enrolled students are eligible to receive a healthy breakfast and lunch each day at no charge for the 2017-2018 school year.

Laurens County School Nutrition Charge Procedure
Students in Laurens County Schools will be allowed to charge their meals. Students and their parents are held accountable for money owed to the Laurens County School Nutrition Program. Meal charges cannot exceed $10.00 for any student. An Alternate Meal will be served once this threshold is reached. An Alternative Meal consists of a sandwich and a carton of milk.

Parents can review all account activity at myschoolbucks.com or by contacting the School Nutrition Cashier at the school.

Guidelines for Parents Visiting Schools during Lunch Time and Meals Brought from Home/Restaurants
While the participation of parents at school is encouraged, it may be necessary for individual principals to limit the access of parents visiting with their child during lunch due to time and space constraints. Food purchased from outside “fast food” restaurants, and remaining in original packaging (i.e. bags and wrappers) is not permitted in any Laurens County School cafeteria.
The School Nutrition Program will not be responsible for the safety of meals or food brought from home by student or faculty
Family Educational Rights and Privacy Act: Parent Notice

Under the Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1323g) you have the right to:

1. Inspect and review, within 45 days of a request, the education records of a student who is your child, or in the case of a student who is 18 years of age or older, or those who are emancipated, your own education records. Parents or eligible students should submit to the administration a written request identifying the record(s) they wish to inspect. The administration will make arrangements for access and provide notice of such arrangements.

2. Request the amendment of the student’s education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student’s privacy or other rights. To request the school district to amend records, the parent or eligible student should write to the school principal, specifying the part of the record they want changed, and why it is inaccurate, misleading, or otherwise in violation of the student’s privacy or other rights. If the district decides not to amend the record, it will notify the parents or eligible students of the decision and inform them of their right to a hearing. Additional information regarding the hearing procedure will be provided with the notification of the right to a hearing.

3. Consent to disclosure of personally identifiable information contained in the student’s education records, except to the extent that the Act and the regulations promulgated pursuant to the Act authorize disclosure without consent. One exception, which permits disclosure without consent is to school officials with legitimate educational interest. A school official is a person employed by the district as an administrator, supervisor, instructor, support staff member, or a member of the school board; a person with whom the district has contracted to perform a specified task (such as attorney, auditor, therapist, or online educational services provider); a contractor, consultant, volunteer, or other party to whom the district has outsourced services, such as electronic data storage; or a parent or student serving on an official committee (such as a disciplinary or grievance committee). A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his/her professional responsibility. Upon request, the school district will forward educational records without prior consent to another school in which the student seeks or intends to enroll.

The Laurens County School system has designated the following information as directory information:

1. Student’s name, address, and telephone number
2. Student’s date and place of birth
3. Student’s email address
4. Student’s participation in official school clubs and sports
5. Weight and height of student if he/she is a member of an athletic team
6. Dates of attendance at Laurens County Schools
7. Honors and awards received during the time enrolled in the Laurens County School System
8. Photograph
9. Grade level

Unless you, as a parent/guardian or eligible student, request otherwise, this information may be disclosed to the public upon request. You have the right to refuse to allow all or part of the above information to be designated as directory information and to be disclosed to the public upon request. If you wish to exercise this right, you must notify your school principal in writing within 30 days of the first day of school.
Parent Notice of PPRA Rights
The Protection of Pupil Rights Amendment (PPRA), 20 U.S.C. § 1232h, requires school districts to notify parents and obtain consent or allow them to opt their child out of participating in certain school activities. These activities include a student survey, analysis, or evaluation that concerns one or more of the following eight areas ("protected information surveys"):  
1. Political affiliations or beliefs of the student or student’s parent;  
2. Mental or psychological problems of the student or student’s family;  
3. Sex behavior or attitudes;  
4. Illegal, anti-social, self-incriminating, or demeaning behavior;  
5. Critical appraisals of others with whom respondents have close family relationships;  
6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;  
7. Religious practices, affiliations, or beliefs of the student or parents; or  
8. Income, other than as required by law to determine program eligibility.

This requirement also applies to the collection, disclosure or use of student information for marketing purposes ("marketing surveys"), and certain physical exams and screenings.

This notice and consent/opt-out provision transfers from parents to any student who is 18 years old or an emancipated minor under State law.

The school is required by federal law to give this notice to parents. However, the school does not have scheduled any such activities as are described above. If any such activities are initiated during the school year, parents will be notified accordingly and will be afforded all the rights described herein.

Georgia Special Needs Scholarship
Under a new state law passed by the Georgia State Legislature in 2007, parents of students who receive special education may choose to transfer their child to another public school or private school in Georgia. For more information on the Georgia Special Needs Scholarship and the parent application process, please visit the Georgia Department of Education’s website at http://public.doe.k12.ga.us/.

Child Find Procedures for Laurens County Schools

SECTION 504 PARENT NOTICE
Any student or parent or guardian ("grievant") may request an impartial hearing due to the school system's actions or inactions regarding your child's identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the school system's Section 504 Coordinator; however, a grievant's failure to request a hearing in writing does not alleviate the school system's obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the school system's Section 504 Coordinator. The school system's Section 504 Coordinator will assist the grievant in completing the written Request for Hearing. The Section 504 Coordinator may be contacted through the school system's central office. Copies of the 504 Procedural Safeguards and Notice of Rights of Students and Parents Under Section 504 may be found at the system website or may be picked up at the central office or at any of the school offices.
Dublin City and Laurens County Schools

Attendance Protocol

As mandated by OCGA 20-2-690.2, a county-wide Attendance Protocol Committee is established and charged with ensuring the coordination and cooperation among officials, agencies, and programs involved in compulsory education issues, to reduce the number of unexcused absences from school, and to increase the percentage of students present to take tests that are required to be administered under the laws of the state.

The protocol developed shall apply to the Dublin City and Laurens County School Systems. Private school organizations shall make their intentions known to the Superior Court Judge of whether to participate in the protocol or submit a separate protocol that meets the requirements of the State of Georgia. It is important for credibility within the community that all local schools operate under the same, consistent student attendance expectations and protocols. All mandated reporters shall assure that students suspected of being truant are reported to designated school officials, law enforcement, or DFACS. With these expectations, the following protocol is adopted.

I. Definitions:
   A. Compulsory Education:
      Every parent, guardian, or other person residing within this state having control or charge of any child or children between their sixth (6th) and sixteenth (16th) birthdays shall enroll and send such child or children to a public school, a private school, or a home study program (OCGA 20-2-690.10). Children that have attained 20 days enrollment in Kindergarten also fall under compulsory attendance according to O.C.G.A. 20-2-150.
   B. Truant:
      Per the Georgia State Board of Education Attendance Rules, “Truant” is defined as “any child subject to compulsory education (ages 6 through 16, and 5 year olds who have attended twenty (20) days in school) who during the school calendar year has more than five days of unexcused absences”.
   C. Monitoring:
      Each school system shall assure compliance with compulsory education and attendance policies in assigned schools. Individual schools will monitor attendance and follow the protocol for reporting.

II. Identifying Truant Students:
   A. Excused Absences
      Excused absences shall include:
      1. Personal illness
      2. A serious illness or death/funeral in the student’s immediate family (Immediate family is defined as parents/guardians, grandparents, siblings, and other persons living within the child’s residence)
      3. A court order or an order by a governmental agency
      4. Celebration of state recognized religious holidays,
      5. Conditions rendering attendance impossible or hazardous to student health or safety
      6. One (1) day to register to vote
      7. PAGE for Georgia General Assembly (counted as present in school)
8. Up to five (5) school days for a student whose parent or guardian is in military service in the Armed Forces of the United States or the National Guard, if such parent/guardian has been called to duty for or is on leave from overseas deployment, to visit with his/her parent/guardian prior to deployment or while on leave.

**Three (3) Days to Submit Excuse for Absence**
Upon returning to school, the student will have three (3) days to present the necessary written documentation to have the absences count as excused. Failure to present this documentation will result in an **unexcused** absence. Phone calls and emails will **not** be accepted in place of a written notice.

**Excuse must include:**
1. The date(s) of the absence
2. Student name
3. Reason for absence and
4. Parent or guardian signature

**Seven (7) Days of Parent Notes for Illness**
A parent’s note will be accepted to excuse personal illness for seven (7) days during the school year. After a parent’s note has been used for seven (7) days at any time during the school year, a doctor’s excuse is required for ALL future absences due to illness.

**B. Unexcused Absences**
Unexcused absences shall include all absences that do not meet the criteria as outlined for excused absences. Also refer to Section II C Tardies and Early Dismissals. School days missed as a result of an out of school suspension **shall not count** as unexcused days for the purpose of determining student truancy.

**C. Tardies/Early Dismissals**
As mandated by OCGA 20-2-690.2, the Attendance Protocol Committee must recommend policies regarding tardies and early dismissals. In order to promote continuity between the school systems, the following policy is recommended:
1. Five (5) unexcused tardies/early dismissals will count as one (1) unexcused absence
2. The conditions for excusing a tardy or early dismissal will be the same as an absence
3. Tardies and early dismissals must be tracked separately and the data will be used to identify truant students. The school will monitor information concerning students, who meet these thresholds.

**D. Student Withdrawals**
1. Local school systems are authorized to withdraw a student who:
   Has missed more than 10 consecutive days of unexcused absences,
   Is not subject to compulsory attendance; and
   Is not receiving instructional services from the local school system through homebound instruction or instructional services required by the federal Individuals with Disabilities Education Act (IDEA).
2. Sixteen and seventeen year old students who wish to withdraw from school must have permission from a parent or guardian prior to withdrawal. The school will make a reasonable attempt to meet with the student and parent or guardian to explain the student’s options and the consequences of dropping out of school.
III. Notification of Parents/Guardians
Within thirty (30) days of enrollment in school, the parent or guardian will be notified in writing of the attendance policies and consequences. The parent/guardian must sign and return this notification, which will be placed in the student’s record. Students in grades 4–12 are also required to sign the notification of attendance policies.

IV. Violations of Attendance Policy
   A. Learner’s/Driver’s License (O.C.G.A. 40-5-22)
      Students must present documentation to the Department of Driver Services that they are currently enrolled and not under expulsion from school in order to apply for a driver’s license or permit.

   B. Work Permits
      Work permits will not be authorized for students who have 10 or more unexcused absences. Students with existing work permits, who have acquired 10 or more absences, will be recommended for revocation.

   C. Unexcused Absences
      1. Three (3) or More Unexcused
         By the time a student has acquired an equivalent of three or more unexcused absences, the school will notify the parent or guardian in writing or via automated message of the student’s absences. This is a courtesy to make parents/guardians aware that we are monitoring their student’s attendance. This reminder or similar documented action will serve as the good faith effort required of the school before taking further action. Failure to see or hear this reminder does not prevent further action taken to attempt to improve attendance.

      2. Five (5) or More Unexcused
         The school will notify the parent/guardian of the attendance policy and consequences at an equivalent of five (5) unexcused absences in conjunction with a Truancy Meeting, which the parent/guardian will be requested to attend. The objective of the meeting will be to explore the barriers to attendance, develop a plan to improve attendance, and to remind the parent/guardian of the attendance policy and consequences for further unexcused absences.

            At this Truancy Meeting if we find the student has a history of truancy (10 unexcused absences the previous school year), an appropriate community referral to the Laurens County Local Interagency Planning Team may be completed for this student along with the parent/guardian to work toward improvement in the student’s attendance at school.

      3. Seven (7) Days of Parent Notes for Illness
         A parent’s note will be accepted to excuse personal illness for seven (7) days during the school year. After a parent’s note has been used for seven (7) days at any time during the school year, a doctor’s excuse is required for ALL future absences due to illness.

      4. Ten or More Unexcused Absences
