

Remember To Put On Your **RAIDER SHOES!**

	School	Family	Student
Striving for Excellence	<p>Teachers will incorporate math activities that relate math to real world experiences and provide helpful tips and techniques to gain understanding in number fluency.</p> <p>All subject area teachers will increase writing across the curriculum</p>	<p>Parents will incorporate ways for their child to perform everyday math, such as calculating tax, budgeting allowances, and measuring ingredients.</p> <p>Parents will practice building writing skills by encouraging their child to write daily.</p>	<p>Students will find ways to practice math in real world experiences like calculating tips or measuring for a recipe.</p> <p>Students will practice developing literacy skills by writing every day – in a journal, making a to-do list, or a thank you note.</p>
Helping Others	<p>Teachers will provide parents with login information to <i>Clever, Aspen, Nearpod, IXL, Read Theory, and NewsELA, Remind, and Google Classroom</i> accounts and regularly communicate students' progress in all areas.</p>	<p>Parents will check Google Classroom, Remind, and Clever regularly to check on their child's progress and communicate with teachers.</p>	<p>Students will check <i>Aspen, Google Classroom, and Remind</i> accounts for reminders and classroom updates.</p>
Owning My Behavior	<p>Teachers will provide links to study resources for students and parents as a helpful tool to build reading/vocabulary development and math skills/fact fluency on our school web page, teachers' <i>Google Classroom</i> pages, and Remind.</p>	<p>Parents will check out the school web page to review the study resources with their child to build vocabulary and number system fluency.</p>	<p>Students will use the school web page, Google Classroom and/or Remind to try one new link or activity twice per month to help build their vocabulary, literacy, and math fluency.</p>
Exercising Safe Behaviors	<p>Teachers will communicate proper online protocol, focusing on internet piracy during research and writing assignments.</p>	<p>Parents will communicate to their child about internet safety and avoiding copyright piracy (not copying other authors' works.)</p>	<p>Students will make sure they are following their parents' and schools' guidelines for internet safety anytime they are online. They will avoid copyright piracy (copying other author's work) when completing writing assignments.</p>

*Language translation of materials and documents shared with parents/guardians of students at WLMS will be made available upon request.

**Parents are invited to give input into the School-Parent Compact each spring at the Title I Spring Input Meeting and through surveys.
This compact is developed and revised jointly with parents, students, and teachers on a yearly basis.

West Laurens Middle School SCHOOL-PARENT COMPACT

2021-2022

SEVENTH GRADE

REVISED Aug. 24, 2021

Goals for Our Students

District Goal: Increase number of students in ELA and Math scoring on the GMAS at proficient or distinguished level by 3%.

School Goals:

Goal 1: During the FY22 school year, 50% or more of WLM students will score proficient or higher on the Mathematics GMAS.

- Focus on number system fluency as it relates to all standards

Goal 2: During the FY 21 school year WLMS will increase the percentage of students reading at or above grade level as determined by Reading Inventory Lexile growth data.

- Focus on developing writing skills through a combination of reading and writing strategies across all content areas

Building Partnerships

- Open House
- Technology Training for Parents
- Stakeholders’ Meetings (Annual Title I Fall and Spring Input Meetings)
- Literacy Initiatives
- Distribution of Grade Level Transition Links/Information
- Parent Resource Center
- Grade Level Honors’ Day Programs
- Parent Curriculum Learning Opportunities

Communication About Student Learning

WLMS is committed to two-way communication with families about student’s learning. Some of the ways you can expect us to reach you are:

- Updates on the school website & Facebook page
- Google Classroom & Remind
- Current student grades on the Aspen Parent Portal
- Parent notification calls and emails
- Encourage parent conferences as needed

Do you have questions about your child’s progress? Contact your child’s teacher by phone at (478) 272-8452 or by email.

Email addresses are on the school website at www.wlm.lcboe.net under the link for teacher websites.
